

CLEAN-UP AT ARLINGTON HILLS CEMETERY

City of Bangor personnel work hard to keep Arlington Hills Cemetery looking neat and well groomed throughout the year. Visitors and guest to the cemetery can help by timely removal of season flowers and decorations. Twice a year, the City spruces up the look by removing all decorations and flowers. Please remove your flowers and decorations prior to our dates.

Please remove all flowers and decorations from the Arlington Hills Cemetery by the third Sunday in April of each year. Decorations and flowers not removed will be removed and not kept by City personnel.

Please remove all flowers and other decorations from the Arlington Hills Cemetery by the third Sunday October of each year. Decorations and flowers not removed will be removed (not kept) by City crews the following Monday. Thank you.
