

Growing Opportunity in Bangor, Michigan

44 acres await the right developer.

This City owned tract of land can be free to the developer who will put new homes on large lots.

The land is free, the City is willing and the time is now.

Part of the Car Show during Bangor's annual Apple Festival

Preliminary engineering completed by Merritt Engineering, Stevensville, Michigan.

Bangor, Michigan lies 10 miles east of South Haven and 23 miles west of Kalamazoo. All are connected by M-43. The highway brings more than 17,000 cars a day through downtown Bangor. The proposed site has access to M-43.

This parcel is owned by the City of Bangor. The site is served by city water and sewer.

Bangor is a full service community with a full time police and fire department.

Preliminary cost projections for development are available from City Manager Larry Nielsen.

Tours available by appointment.

Complete business listing on the City website.
