

Weekly Trash Pick Up

The City of Bangor has contracted with a private company, Reliable Disposal of Stevensville, Michigan, for weekly trash pick up. Reliable Disposal has provided each customer with a Roll-Away Cart (RAC) for use. Reliable Disposal uses

People are billed each month as part of their water/sewer utility bill. The fee for trash service is noted on the bill by the letters " TR ". The current price (8-23-04) per service is \$6.87 per month.

This service is mandatory for all single family, two-family and three-family housing units in the City of Bangor. Apartments with four or more units, commercial businesses and industries are responsible for their own waste removal.

Trash day is Thursday of each week unless Thursday is a holiday. When Thursday is a holiday, Reliable Disposal is to pick up trash the following day. Sometimes because of their work demand or if they are slowed by weather, this may extend to Saturday as well.

Each customer is provided a roll-a-way waste cart (RAC) to use for his or her weekly trash. These must be used. If you have lost yours, please call Reliable Disposal at 800-677-1083.

Please, remember the following to make this service work for you and your neighbors:

- ✓ All trash should be bagged and placed in the RAC. Loose trash often flies around in the dumping process and can make a mess of the street and yards.
- ✓ Place trash in the RAC. Reliable Disposal does not have to pick up stuff outside the RAC. Boxes and bags outside the RAC may not be picked up. Do not leave them by the road as animals will get into them and make a mess.
- ✓ Keep the RAC in your garage, in your house or next to your house until you take it out to the edge of the road for trash day. Please do not leave your RAC by the side of the road all week. This cause problems for safety and makes the neighborhood look bad. With regard to safety, drivers may not see children or animals and children or animals may not see cars when RAC are along the side of the road. RACs may be taken out to the road edge after Noon on Wednesday. Please have them taken in by 12:00 Noon on Friday.
- ✓ This service is for usual weekly household trash. Reliable Disposal will not dump the RAC if it contains dirt, brush, construction materials, bricks, stones or similar items.

- ✓ Items not picked up by Reliable Disposal are your responsibility to remove. If they are left for 5 days or more the City may remove them and bill the property owner \$75 for removal.
- ✓ Items not placed in the RAC and left along the side of the road are your responsibility to remove. If they are left for 5 days or more the items may be removed by the city. In these cases, the City will bill the property owner \$75 for removal.

Passes to the Reliable Disposal Dump

As a part of the contract with Reliable Disposal, each resident is able to obtain two FREE passes to the landfill operated by Reliable Disposal. This landfill is located in South Haven. You may obtain your pass at Bangor City Hall.

Annual Spring Clean Up Program for Large Items

The City of Bangor is happy to provide large item trash pick-up in the Spring of each year. This is a free service. In order to have another successful program, we ask your cooperation again this year.” This is done on two Saturdays in April of each year. The notice below does not provide the actual dates. Check the actual dates each year by calling 427-5831.
